

# Maps, Loops, and Larps

---

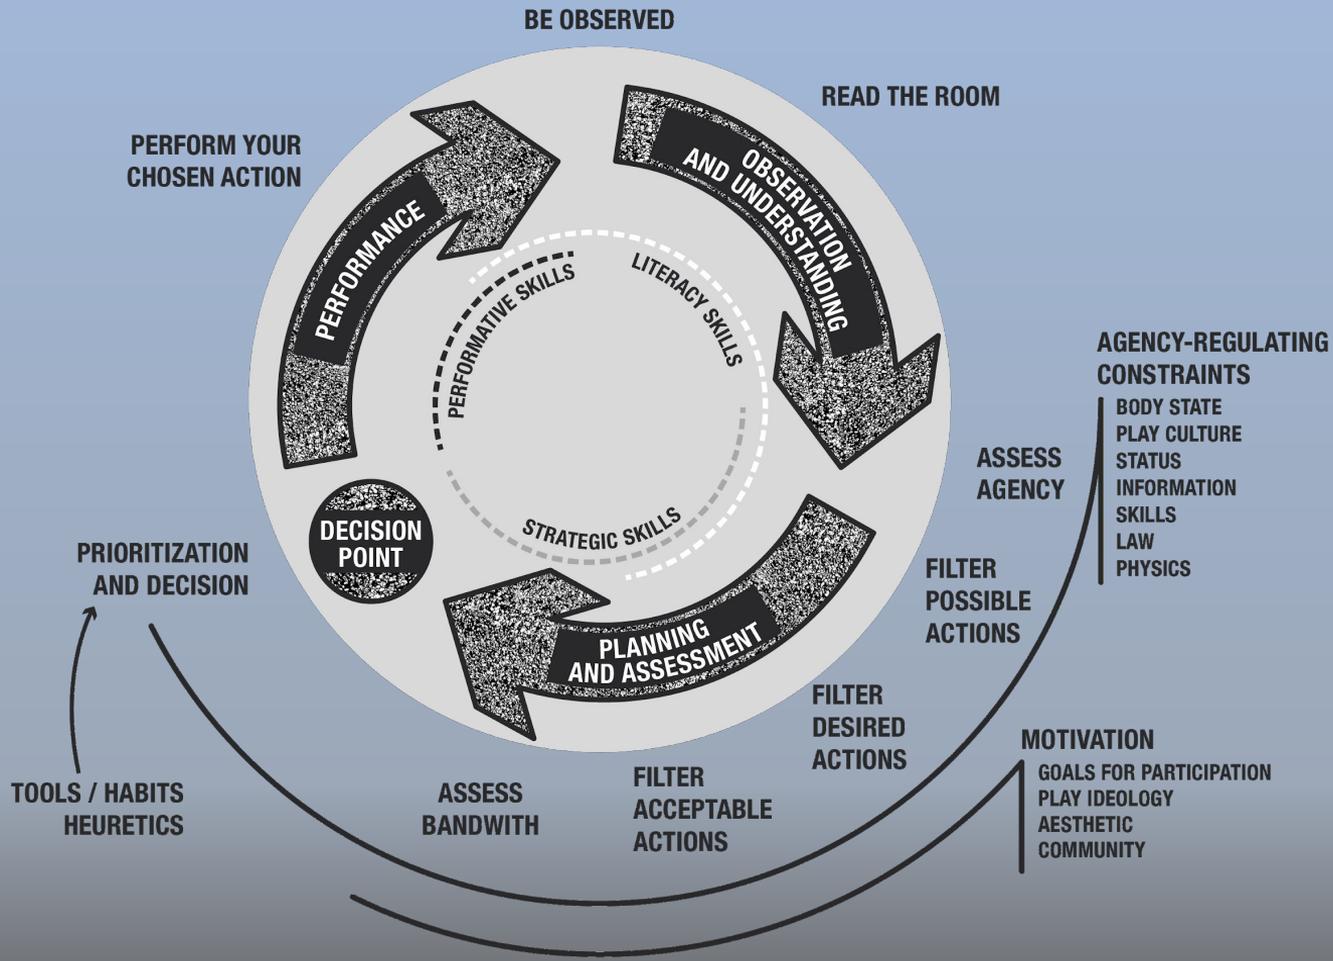

Eleanor Saitta, Martin Nielsen, & Johanna Koljonen

The map tracks the current status of the fictional reality and the player's place inside it

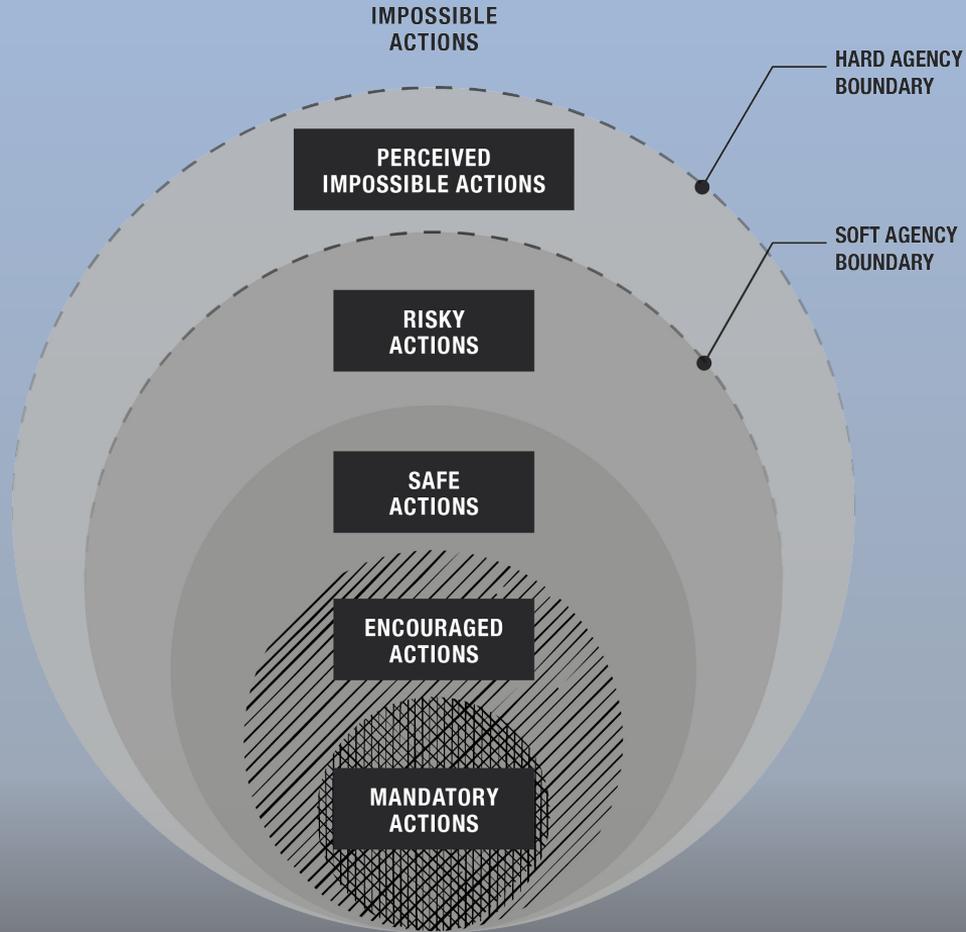

# THE MAP

You can have individual motivations both inside and outside the play situation, as well as communal goals

In many play cultures  
character goals will not  
necessarily align with your  
goals as a player.

**IMPOSSIBLE  
ACTIONS**

**PERCEIVED  
IMPOSSIBLE ACTIONS**

**RISKY  
ACTIONS**

**SAFE  
ACTIONS**

**ENCOURAGED  
ACTIONS**

**MANDATORY  
ACTIONS**

**HARD AGENCY  
BOUNDARY**

**SOFT AGENCY  
BOUNDARY**

# Parallel loops:

- **Performative loop**  
(phrase level / within a scene)
- **Tactical loop**  
(scene level)
- **Strategic loop**  
(act level)
